Permit Tech Code Fundamentals

JC Code & Construction Consultants, Inc., in partnership with the Hernando County Building Division is offering a 6.0-hour IBC/FBC Fundamentals seminar for those interested in preparing to take the International Code Council Permit Technician Certification Exam. The seminar provides a comprehensive overview of building code history, basic code concepts, zoning regulations and code enforcement. This seminar is offered as an **introduction** to our Permit Tech Exam Preparation Seminar.

Suggested Reference Materials:

- *2018 International Building Code*
- *2018 International Zoning Code*
- *2017 Legal Aspects of Code Administration*
- *Basic Code Enforcement (2012 or 2019)*

Permit Tech Code Fundamentals

January 4th or 18th, 2022

Hernando County Building Division

789 Providence Boulevard
Brooksville, FL 34601

Each Day:

Registration 8 am
Seminar 9 am - 4 pm

\$159.00 Seminar Fee.

This seminar will provide you with the knowledge, skills and abilities needed to perform your job in code administration: legal aspects, code language, code enforcement, reading construction documents, performing plan reviews and the permitting and inspection process will be discussed. Participants will become familiarized with the International and Florida Building/Residential Codes and sharpen their customer relations skills.
